**ALYSSA HALL &
SUNNY LANE**

She's all wet, and so is she

You guys hit it out of the ball park with that wettest girl-girl pictorial in the last issue. Seeing two naked girls splashing and sudsing in the sun was hot. By the end, I was hot, too. I was not as familiar with Alyssa as perhaps I should have been, but Sunny's been on of my favorites for a few years now. Pairing the two together and turning the hose loose on them was sheer ecstasy for me. It was kinda like watching your girlfriend get it on with someone new. Even though I love Sunny, I thought Alyssa held her own and was stunningly sexy end erotic. Plus how could you not adore the way water rolled down her tanned body.

— Walter, Idaho

**CASSIA
RILEY**

Cover bonanza

For the past few months, I've been scouring the men's magazines and internet looking for someone like Cassia to adore. In my opinion, there are too many waify looking girls. I like a full fleshy woman. Cassia fits that bill perfectly. Full, supple natural breasts, beautifully shaven pussy (it's obvious she likes to take care of herself down there), a nice round ass, and a vixen's face. Now only if I could meet her in person, I could tell her these things right to her beautiful face. But since I can't, I'm hoping you will.

— Marc, Georgia

Service with a smile

Call it a need to stay nice and grounded, but my girlfriend likes to dress up as a French maid, too, just like Black Angelika in your magazine. When she roams around the yard, she wears an apron, sexy black nylons, and not much else. Although she's well off, her pussy gets wet when serving guests, but that's our little secret. If I tell her that she's doing a good job, I may find myself in the right place when her skirt rises. Every Saturday night, it's always the same routine as I get ready for my shower, my GF comes wandering in just to make sure that I'm soaping himself up just right, and then she personally make sure that I get squeaky clean between my legs. Soon, I'm feeling very fresh and scrubbed, which only gets us curious to see how dirty I can get her sexy, pouty lips. Fortunately, her maid mouth gets downright filthy as she sucks my cock into her throat, right before I decide to reward her with a quick shower of hot jizz. Then she pulls down her lacy, frou-frou panties and we fuck the weekend away.

—Frankie, Florida

Three's company, too

I was looking at my hubby's issue of Fox and nearly came as I turned the page to see three gorgeous women getting it on. Don't ask why he has this magazine or why I'm looking at it, but one of the perks of being a wealthy stay-at-home mom and housewife was never having to go anywhere. But I have my own secret way of keeping things exciting. I started a little game a few months ago to see how many of my female employees I could talk into wild threeways without my husband finding out. At first it was a little difficult to ask them but when I got up the gumption, I was pleasantly surprised how many actually would do it. I won't give you a head count right now, but let's say I'm on my fourth. A couple of the girls have returned with girlfriends of theirs who are into it also. We'll start on Tuesday lunch and break at about 5pm so it seems like a workday. I have a huge bed, so there's plenty of room for us. I ususally will start just by watching them until I feel it's time for me to join in. After we're done, we'll all shower together. So you can see why I liked the pictorial a lot. BTW, If Sara Luvv ever reads this letter, please forward my phone number to her.

I wanna make me happy!

Seems I've spent my whole life trying to make people happy. But what about me. Do I get to be happy. You bet I do. And I've just discovered a whole new way. I call it "Big Ballin" When I saw this big ball I just had to have it. I can exercise and fuck at the same time. I couldn't wait to bounce on it and sit on it, and bounce some more. If you like what you see, you should try it.

.....

I'm filling up at a gas station just off Florida highway 91 between Kissimmee and Saint Cloud. I'm headed back to Palm Beach after giving a series of seminars. It's late and the pump is slow so I'm looking around as I'm waiting for the fill up. It was because of her body that I stopped looking. It was because of her body that I fucked her. I saw her just outside the coffee shop about fifty feet away. She was sitting on a bench showing a lot of leg — great thighs, great legs. She definitely looked fuckable. About 25 or 26, I'd say.

She was in Daisy Dukes and blue cowboy boots. She had on a white T-shirt and she was nicely busty, not too big but pushing neatly against the fabric. I finished filling my Lexus and drove it over to the shop for some snacks before the drive back. When I parked the car a couple spots over from her, I walked past her and pushed my shades up saying a soft "Hello" as I went into the store. A couple minutes later I come back out, snacks and drinks in hand. I pretend to fumble with a couple bottles and ask if I can put one down on her bench.

"Car die on you?" I said, and looked at the grimy dust covered Audi in front of her, which had obviously seen better days. Those were about 20 years ago, I'd say.

"It gave a shudder and said 'so long,' " she said. "Are you headed towards Miami – maybe?"

"Palm Beach." I told her.

"Me too," she said.

"I'm in no hurry," I told her. "It's almost 10 and I had planned to stop at a motel in Port St. Lucie. It's been a long day and I'm tired."

She smiled, and suddenly she look prettier and younger. "Me, too," she said.

"You ready?" I asked. "Sling the case in the trunk."

She stood up. "I don't have much money to pay you. But there's other ways – right?"

I nodded. "Sure, as long as you're offering what I'm thinking."

"I think so." she said, and as we put Kissimmee behind us she told me her name was April. She was 27, and heading home to Miami.

I told her my name was Daniel — it's not — and that I was 35 – I'm not – and wrote software for a living – I do. We got in and strapped up. I backed out and we hit the road. April searched the radio dial for something we both could listen to — I was for some rock, she was for something mildly country (huh?). We drove for a couple hours and after midnight I pulled into a motel. We checked in as husband and wife, and once in the room, I decided to put her offer of payment to the test.

It was ice cold in the room thanks to the air-conditioner blasting away. I sat down on the bed and surprisingly, she sat on my lap and we got started. First thing I did, while she started to eat my mouth all hungry like, was to check out her boobs. They were pretty firm and they were very nicely shaped. The surgeon who had done the procedure knew his business.

I got her T-shirt off and found her bra was a wispy little black, see-through thing, and her nipples were thrusting into the flimsy material. I didn't remove it immediately, merely pulled my mouth from hers and went to her left breast to suck on the hard nipple. She moaned like she was enjoying it, so I slid her short jeans down her great legs and off the boots. She was wearing another little see-through number down there. I just love thongs.

I caught a wonderful whiff of her musky scent, and then I started to lick at her see-through black panty — I could see her labia flattened against the sheer material. She was a shaver, not a trace of pubic hair and I liked that. She tasted great and I didn't mind that either, but I wanted closer contact, so I dragged the thong off and went to work on her slippery flesh.

She began moaning even more now, and soon I was slurping down a streaming flow of sex juice from her pussy. As I lapped away at her pussy, I pushed my pants down and slipped my hardon free from my pants. Of course I was fully erect. Who wouldn't be? Going down on such a sweet pussy.

Then I moved up on top of her and pushed the tip of my cock against her pussy lips. She shifted slightly, to let me in and then I was pounding it into her.

Her moaning didn't stop, and I wondered when she last had a fuck, but soon all such questions vanished as I realized she'd gotten me in that age old pussy trap and I couldn't hold back, so I pumped a load of jizz into her.

Then we both stripped and went into the shower and washed off the dirt and grime from a days driving. Next door to the motel was an all night Tex-Mex joint, where we went and devoured two big bowls of chili, washing them down with some beers, and then it was back to the motel room.

April was all hot for an encore, and we stripped quickly and got down to work. I laid on my back, she laid on top of me and pushed her pussy into my face and let me lick it from ass hole to clit while she gobbled away on my stiffy. Now I won't lie to you, she sucked okay, but fucking her was so fine. Soon I rolled her onto her back, licked her big boobs for a bit, then with one long thrust, slid my cock deep into her pussy.

But this was the real thing. As a cock sucker, like I said, April was okay but as a fuck, she was great. She was one of those fuckers who liked to pull up their feet and stick their heels up on your butt. That gets me, it sorta gives you a nice deep fuck. Only I can't last long when the woman's doing that.

Opening my eyes to the dawn, I can feel my body still remembering the lovemaking of the previous night. My arms are tingly with memories of touching April during the night. My lips remember her soft, salty kiss. And my cock remembers the sweet tightness of her pulsing pussy each time I made her come. She is breathing deep next to me, still asleep. I lay on my back as the first rays of

THE IMAN CAVE

SOLACE
SANITY

the dawn start to creep in through the shades. Turning to look at April next to me under the same sheet, I watch the curve of her hips and her nice slim waist. She looks beautiful there, her hand on top of the sheet, her nice thick hair spread on the pillow, her beautiful tits pushed together as she is on her side facing me.

The morning light is growing outside, and I know that I should wake her up. I turn on the bed and she moves still in her sleep. Taking my hand to her face, I move some locks of her hair and kiss her cheek gently.

"Good morning." I whisper.

April smiles a little at the touch of my lips, and I can feel her breathing change as she wakes up. I kiss her a second time, just on the side of her head, then I kiss her ear, once, twice, then more times. When I reach her earlobe and give it a kiss and a flick of my tongue, I can feel her breathe in deeply and react to my touch. She is awake now.

She turns on her back and raises her arms above her head and her delicious lips are now there just wanting to be kissed. With her arms raised, her breasts are now exposed from under the sheet, perfect, soft, round mounds of her femininity and I cannot resist I put my hand on top of her left breast, and gently touch it, but not touching the nipple. She sighs out in pleasure from my touch. I keep my hand where it is, and kiss her closed eyes. I

sense her craving for me to touch her more, to feel my hand all over her body. Briefly I entertain the idea of letting my hand wander down her smooth belly, slowly teasing her with my fingers, and finally touching her there, at the hot intersection of her legs, letting my fingers bring her to another orgasm. But I resist. I want her to feel the need build up for later. I want her to wait for the release this time.

She opens her eyes, and her look seems to beg me to make love to her right there, right now. She arcs her back and her boobs push against my chest and I almost lose my control. My cock is semi hard. A deep kiss from her and I would lose it, and sink my cock. But, I want our release later to be all the more sweeter.

I put my hand on her lips. "When we get to Palm Beach."

She looks at me, opens her mouth and takes my finger in her mouth, sucking it, tenderly biting into it and at the same time her tongue is twirling, teasing it. She can feel my erection now pushing against her hip, and releasing my finger, she smiles at me.

"Such a shame to waste this. Are you sure?" she asks teasingly. Her nipples erect, her beautiful body there next to me. I come close to relenting, but I don't.

With a final kiss we come to a silent agreement. Minutes later we leave the motel and head to Palm Beach.

I love sexxy.

Don't you? Don't you want your woman to dress up in her sexiest, or cutest lingerie for you. Don't you want to see her soon-to-be-naked body adorned with lace or satin or leather? You know she'll do it for you in a heartbeat. All you have to be is – interested. Then, tell her how amazing she looks. How sexy she is. How much you want her. Then she'll swoon and that will be your cue to rip off that sexy lingerie and ravish like you know she wants, and you want, too. There's often no better aphrodisiac than that!

A photograph of two women playing pool. The woman on the left has dark hair and is wearing a patterned crop top with a yellow tie. The woman on the right has blonde hair and is wearing a blue lace-trimmed bikini top. They are both leaning over a pool table, which has a yellow ball and a pool cue visible. A large red circle is on the wall behind them.

Any guess who's going to win?

You are! Because these two are going to play games that we all want to see. Horny girl games. Ones that involve lips and pussies and boobs and toys; and toys in pussies. Now these aren't exactly Olympic sports, because everyone is a winner here. The two conspirators – and you. After all, they're here to provide you with the spectacle you seek. But enough, let their games begin!

MISTY STONE

Play Misty -- for us.

Like Hollywood personified, Misty reigns over the City of Angels like the devil that she is. Insatiable, erotic and exotic, this vixxxen is on everyone's short list – to fuck. She not only gives a great scene and great head, but she drained more balls than have been hit out of Dodger Stadium since 1944. Today's scene is a solo one, so grab your bat and rub away.

SASHA ROSE has become a huge star on the continent, working the major hot spots like London, Barcelona, Prague, Budapest, and her favorite, Stockholm. Because of her blonde locks, she feels she blends better in Northern countries.

I see Sasha sitting on a loveseat with a donut and energy drink in her hands. I politely wait for her to finish her donut and walk over to introduce myself. In her best English, she greets me back and invites me to sit next to her. I oblige and pull my laptop out of my briefcase. She watches me with fascination and then turns slightly towards me, adjusting her butt and opening her legs slightly. Of course, I only notice as a neutral observer.

FOX: It's a pleasure to finally meet you, Sasha. I love the blonde color of your hair. Is it natural?

ROSE: It is now. I've been blonde for many years that I do not even remember other color. Well, I did go through phase a while ago and my hair was blue and pink and green, and painted my lips black. I am glad to be over that. But are you trying to find out – how you Americans say – 'do the curtains match the rug?' What a silly saying. You have many of them, don't you?

FOX: Well, yes and no... We can't ask that very often anymore because there is no rug down there.

ROSE: (laughing) Yes, you are correct. I also do not know of many women who have hair there. Many directors and performers prefer that way, so I keep

SASHA ROSE

mine shaved and smooth for sex. I think it gives younger look for the camera.

FOX: I noticed in almost all of your photos and videos that your nipples are always quite hard. Would you care to elaborate?

ROSE: Yes, but I do not know 'elaborate.' (Sasha turns to a girlfriend sitting nearby and mouths the strange word) Oh, that means to tell you more... I do not know that, but if you say so. I know my nipples are very sensitive and I like that. They get hard at touch and especially when another person licks or pinches them. But also it is photographer asking me to make hard for photo shoots.

FOX: So you're here in Los Angeles. Is this your first trip or have you been here before? And do you like it with all the people and traffic?

ROSE: I have been two times before. First time I was not making videos or photos but here with my boyfriend. We were here with group visiting museums and Pacific Ocean. The next time was to do photo shoots and I did three videos, all with my boyfriend. This time I will be here for two weeks and work every day – except Sunday. I like to make videos and meet new people. I also keep eye to director to learn what they do because I want to do it when I stop having sex for camera. But I do like sex business and I will be directing first movie in Spain in a few months.

FOX: That's wonderful. I'm sure you will be a great director one day. Until then, can you tell me what kind of sex you like, both at home and on set.

ROSE: Oh, I like all sex I like men and women and I like more than one at a time, too. I have not been shy sexually and that could be why I am in this business. For me, it come natural and I like to do it a lot. At home I do less than I should because I fuck on set all day. It is hard to keep boyfriend when I fuck all day, so now I live with two other girls. One is in the business, too and the other is her lover. Now I just have sex for camera.

SASHA ROSE

FOX: Tell me about having sex for the camera.

ROSE: I like the video, but the pretty girl is hard for me. The photographer always give direction... 'move this, hold that, more smile, no smile.' It seem like they always tell you what to do. In videos, I can move free and move with a partner. It is just more real than still photo. I like to have all kind of sex, but I am famous for anal. I think sometimes because I am small, my butt cannot take a big cock, but then I'm surprised to find that they all fit. And I know guys like to fuck my butt because it is tight and suck their cock in.

FOX: How much longer will you make movies?

ROSE: I do not know. For now it is fun and I travel the whole world. I do not know many business that you can do that for. And I meet all kinds of nice, and sometime not so nice, people. I like the nice ones. But, like I say, after sex job, I want to direct and tell others what to do. They will laugh at first hearing from such a small person, but they will learn!
